This is W6IK, Net Control Station for the Southern Arizona Emergency Communications VHF Net. This net meets Saturdays at 0715 hrs MST on 3863 kHz (or another band), by authority of the FCC and by the direction of the Pima County Office of Emergency Management. This is a directed net, organized to handle emergency traffic and net training. Following roll call, I will open the net for late member and visitor checkins. Break with your call sign at any time if you have emergency traffic. ARE THERE ANY QST's?... The net list follows:
