

Pima County Office of Emergency Management Communications Group VHF Net (April - June)

OPENING: Good Afternoon, this is <Name, Callsign>, Net Control Station for the Southern Arizona Emergency Communications VHF Net. This Net meets every Saturday at 1300 MST on two linked repeaters:

146.880 MHz negative offset on top of Mt Lemmon and

147.300 MHz, positive offset, located at the Pima Emergency Communications Operations Center.

Both repeaters . have a tone of 110.9Hz

This net is called by the authority of the FCC and at the direction of the Pima County Office of Emergency Management. This is a directed net; organized for radio equipment operation checkout, communication of group activities, and training. Pass all communications through net control. Following roll call, Net Control will open the net for late and visitor check-

Break with your call sign at any time if you have emergency traffic. Is there any emergency traffic at this time? < Break>
